

Dear applicant

Are you not sure whether your level of English will be enough for you to participate in Model NATO?

Don't be scared, we are not native speakers either. If you want to be absolutely sure, [try this test](#).

If you get more than 15/20 answers correctly, you don't have to worry and apply. We won't see the results.

Good luck with the application and see you soon!

Model NATO Team
